

Self-responsible statement for journeys for the health crisis caused by COVID-19

In accordance with the decisions adopted by the Government bodies through the PROCICAT's Action Plan, there are public health measures to be adopted, restricting night mobility, for the containment of the epidemic outbreak of the COVID-19 pandemic in the territory of Catalunya.

- Commuting for road work (transport, delivery,...)
- Professional or accredited volunteer staff journey to perform essential, health and social services.
- Pet care (between 4.00 am and 6.00 am).
- Return home from learning centers and from cultural activities or public shows.
- Emergency healthcare, also urgent veterinary assistance and acquisition of pharmaceutical products for emergency reasons (closest to home).
- Journey to and from work. Journey derived from one's own work.
- Return habitual home.
- Caring for the elderly, minors, dependents, disabled or especially vulnerable for reasons that cannot be postponed.
- Urgent action ordered by courts.
- Cause of force majeure or other situation of justified need.
